Dear Sir:

Applicants' request that the Title of the Invention be corrected for the above-identified case. Please note that the title was changed by Amendment "C" on February 7, 2002.

In 2002, the title was corrected to read as follows:

-- Benzofurans as Suppressors of Neurodegeneration--

Yet this correction has not been made of record as evidenced by the incorrect title on PTOL-85. Applicants respectfully request attention to this matter prior to issuance of the patent. If there are any questions regarding this matter, kindly contact Applicants' Attorney at (847) 383-3391.

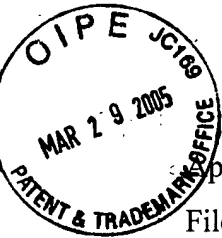

Respectfully submitted,

Dated: March 29, 2005
